PROTECTION

Products & motorcycles shown may not be available in all markets
Images & specifications shown here may differ from the actual product

BLACK LARGE ENGINE GUARDS

Part No. 1990506

Get full protection without compromise. The large engine guards are designed for an optimum balance of protection and style. Made with 25mm stainless steel tubes, it comes with corrosion resistance and has a premium finished discrete laser etched Royal Enfield branding on the horizontal bars.

Silver Large Engine Guards (1990504) also available.

BLACK COMPACT ENGINE GUARDS

Part No. 1990505

Add a layer of protection to key engine areas without compromising on style or ground clearance. The compact engine guards are made from 25mm stainless steel tubes. These guards will resist corrosion even if scratched. It has a premium finished discrete laser-etched Royal Enfield branding on the horizontal bars.

Silver Compact Engine Guards (1990503) also available.

SILVER LARGE SUMP GUARD

Part No. 1990552

This Scrambler inspired Sumpguard provides enhanced protection to the engine and frame rails from dirt and debris from the front tyre.

This heavy duty pressed aluminium plate is brushed and anodised to match with the CAT Cover and to increase durability in the harshest conditions, with a centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

Black Large Sumpguard (1990555) also available.

BLACK HEADLIGHT GRILL

Part No. 1990522

The Protective Grill is purposefully designed to integrate seamlessly with the LED headlight. It's fully homologated, ensuring headlight protection against large debris and optimizing road visibility for a safer ride.

HANDGUARDS

Part No. 1990527

The Handguards enhance the scrambler looks of the bike by providing a pair of robust injection moulded handguards. Providing cover for the rider's hands and levers in the event of a fall and preventing fatigue while riding against the wind.

SILVER OIL COOLER GUARD

Part No. 1990556

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road. Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

BLACK SUSPENSION FINISHERS

Part No. 1990445

Machined from billet aluminium, anodized for durability and laser-etched branding. These add the finishing touch to the RSU fastener.

BLACK SWINGARM BOBBINS

Part No. 1990415

Use these machined-aluminium swing-arm bobbins to place your 650 on paddock stands. They help with cleaning and maintenance so you can keep your bike immaculate.

CONTROLS

BAR END MIRROR MOUNTS

Part No. KXA00277

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM bar end finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

*1990401 & 1990454 are available separately.

BLACK BAR END FINISHERS

Part No. KXA00271

Give your motorcycle that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodised for durability and come with laser-etched Royal Enfield branding for style.

BLACK TOURING MIRRORS

Part No. 1990454

Royal Enfield mirrors are fully homologated to be valid replacements. They have been forged and machined with aluminium stems to offer strength and stability.

BLACK BAR END MIRRORS

Part No. 1990401

Give your motorcycle an authentic cafe racer styling, with Royal Enfield marked and fully homologated replacement mirrors. The bar end mirrors offer improved stability.

BLACK INTAKE COVERS

Part No. 1990442

For those who prefer the stealth look, these powder-coated covers replace the original stock covers.

BLACK/ BROWN HANDLEBAR BRACE PAD

Part No. 1990538

Add a touch of style with this handlebar brace pad which is padded with foam and a Royal Enfield branded cover. The brace pad has a reversible option and can be converted into a brown colour.

BLACK PAINTED INSTRUMENT COWL

Part No. 1990530

Speed through the wind with this easy-to-fit injection-molded painted instrument cowl which adds a level of wind protection while riding.

TINTED TALL FLYSCREEN

Part No. 1990542

Speed through the wind with this easy-to-fit injection-molded tinted tall flyscreen which adds a level of wind protection while riding.

BLACK TANK PADS

Part No. 1990535

These retro style designed tank pads help the rider grip the motorcycle with the knees thereby giving added confidence. These stylish tank pads also help in protecting the fuel tank .

BROWN SIGNATURE SCRAMBLER SEAT

Part No. 1990532

This Scrambler inspired Signature bench seat is a key product providing a true scrambler vision. A flatter benchlike profile comes with a 3D net on both the rider and passenger side, providing alternative ergonomics, which in turn provides improved seat comfort.

The flatter profile increases the rider seat height by 15mm. This height increase improves comfort for the taller rider by opening up the knee to foot rest angle.

ADVENTURE SOFT PANNIERS

Part No. 1990270

A pair of Adventure-styled rolltop bags made from Premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners. 13L volume per bag and a 3kg payload each side together with IPx6-rated waterproofing provide ample capacity and protection for your next excursion. Comes with quick attachment & removal from the motorcycle. Shoulder straps and carry handles for ease of use.

1990524 BLACK SOFT PANNIER RAILS are needed for mounting these panniers to the Bear 650.

BLACK SOFT PANNIER RAILS

Part No. 1990524

This mounting rails are black powder-coated for durability and a discrete visual when the 1990270 ADVENTURE SOFT PANNIERS are removed. Kit consists of stainless steel fasteners.

MODERN SOFT PANNIERS

Part No. 1990278

A pair of modern-styled rolltop bags constructed from premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners. Each pannier has a volume of 14.5L and can carry a payload of 3kg, providing ample capacity and protection for your next excursion with IPx6 rated waterproofing.

Designed for quick attachment and removal from the motorcycle with hand-carry handles and shoulder straps, making them user-friendly and easy to carry.

BLACK TAIL PACK

Part No. KXA00442

Easy to assemble and remove, our waterproof, lightweight bag has a generous 3 kgs/19 liters capacity. The tail pack can be mounted either to the pillion seat or top box rack giving a versatile combination that can be tailored to your setup, which can be either with no rack and no top box, with rack but no top box, or with top box & with rack.

SILVER ADVENTURE TOP BOX

Part No. KXA00433

The robust aluminum top box is the perfect complement to your motorcycle's styling and adventurous spirit. With its thick-walled aluminum construction, ABS corner protection, and a 40-liter capacity and 5kg payload, it can accommodate most adventure helmets. It's designed for easy removal without the need for tools, featuring an anti-theft mechanism within the box for added security. The lockable lid offers both safety and peace of mind. The top box is water resistant, adding the adventure inner bag (KXA00294) for the fully waterproof solution.

The top box mounting plate is available separately.

Black Adventure Top Box (KXA00420) also available.

BLACK TOP BOX REAR RACK

Part No. 1990536

The Rear Rack is intended both as a mount rack for the KXA00420 BLACK ADVENTURE TOP BOX or KXA00433 SILVER ADVENTURE TOP BOX (using 1990537 mount plate) as well as mounting on its own for the customer to use as a standalone rear rack with a maximum load capacity of 5 kg with their own luggage.

SILVER TOP BOX MOUNT PLATE

Part No. 1990537

This Stainless Steel Mounting Plate serves as a versatile solution for attaching the KXA00420 BLACK ADVENTURE TOP BOX or KXA00433 SILVER ADVENTURE TOP BOX to the rear rack or using it as an enlarged standalone luggage platform.

It comes with added lash points for secure fastening and has a maximum payload capacity of 5 kgs, providing adequate strength and convenience.

BLACK LED FOG LIGHTS

Part No. KXA00075

Illuminate the road ahead when fog descends with a pair of powerful LED fog lights. Producing 1080 Lumens per pair, thrown over a wide photometric spread, the lights will help you to see and be seen in conditions of poor visibility. Classically styled, the lights are controlled by a convenient switch positioned on your handlebar (included). The lamps themselves mount to the following list of Royal Enfield's Genuine Motorcycle Accessory Engine Guards (available separately) and connect to the Accessory connector on your motorcycle's electrical wiring harness.

Silver LED Fog Lights (KXA00064) also available.

BLACK LED INDICATORS

Part No. KXA00248

Be seen at every turn. Equip with LED Indicators that fit as a direct replacement, ensuring the correct flash rate is maintained. A sleek and minimalistic styling combined with modern LEDs and a 30% reduction in head size to make for a subtle refinement for your motorcycle. Sold as a set of 4 (front & rear).

Silver LED Indicators (KXA00263) also available.

WHEELS

BLACK STYLE 2 ALLOY WHEELS

Part No. KXA00218

Upgrade the style of your Shotgun 650 with these Royal Enfield branded Machined Cast Alloy Wheels.

20 slimline spokes weave a geometric pattern that blends seamlessly with the rim, creating an eye-catching style. The machined detail picks out half the spokes in a star pattern, which altering between the machined silver and black painted finishes to enhance the urban aesthetic of your motorcycle.

Carry over the tubeless tyres from your original wheels; you'll find these wheels come pre-assembled with bearings and spacers for ease of fitment.

Fully certified with a 3-year warranty.

HEEL TOE SHIFTER

Part No. KXA00337

Enhance rider comfort with the Heel-Toe shifter designed to ease shifting effort for those long rides. Effortlessly shift up with a heel tap, and down with the toe. Designed & Engineered for seamless integration, durability and reliability. Supplied with new rubbers & bushings.

SEATS | BODYWORK

DUAL SEAT AND BACKREST KIT

Part No. KXQ00036

Combining the Deluxe Touring Seat, Backrest & Pad into a single kit, this will give you a Deluxe Touring package for your Super Meteor with the upmost comfort.

The seat brings a better ergonomic form which follows the contours of the rider and a greatly increased seating area for the passenger, which work together with a foam density optimised through testing and a bespoke designed dual seat base, to give a noticeable difference in both positions.

The Backrest & Pad provide lumbar support for the passenger and a set of side mounted hand-holds which both seamlessly integrate with the premium styling of the Super Meteor 650 and elevates it to the next level in terms of comfort.

BLACK PASSENGER BACKREST MOUNTS

Part No. KXA00206

Styled to suit your Super Meteor 650, the Passenger Backrest Mounts provides a mounting structure for the Black Backrest Pad. Made from cast aluminium and finished in a black metallic satin powder coat, it seamlessly flows with the style of your cruiser.

With two bolt positions available, the backrest can be tailored to suit your Stock Seat, Deluxe Touring Seat, or the preference of the passenger in order to personalise the space and ergonomics it offers.

*Requires KXA00208 Black Passenger Backrest Pad.

BLACK TALL PILLION SEAT

Part No. KXA00334

The 'comfort passenger seat' offers superior cushioning for an enhanced cruising experience for the 'pillion rider' on long rides. It continues to sport a seamless design that complements the overall retro styling of the Super Meteor.

BLACK BAR END FINISHERS

Part No. KXA00271

Give your motorcycle that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodised for durability and come with laseretched Royal Enfield branding for style.

BLACK PASSENGER BACKREST PAD

Part No. KXA00208

Crafted to suit the Super Meteor 650, the Passenger Backrest Pad combines with the Backrest Mounts to provide the passenger with a comfortable lumbar support on long cruises.

*Requires Black Passenger Backrest Mounts (KXA00206).

TOURING SCREEN

Part No. KXA00224

Cruise through the wind. Equip your Super Meteor 650 with a Touring Screen to reduce fatigue and give you a clear view of the road ahead on long cruises. This hard-coated, injection-molded screen is scratch resistant and comes with a subtle Royal Enfield branding.

The pressure reduction vents help prevent low pressure areas behind the screen contributing to buffeting.

A triangulated mounting kit is included and ensures the screen blade is positioned perfectly.

SILVER SOLO FINISHER

Part No. KXA00222

Get a solo rider look, replace your Passenger Seat with this brush finished solo finisher. It mounts to the same bolt holes as the passenger seat, covering them up and adding to your Super Meteor's cruiser persona.

Part No. 1990495

Make your motorcycle look like a true café-racer.

This new breed of Touring Single Seat uses soft-touch material to improve the feel of the ride and also comes with 3D net technology which offers more comfort by distributing weight evenly as you sit across the saddle. Red stitching finishes off the styling nicely so that when you pair it with the Single Seat Cowl (available separately) you can bring in-line with the café racer's DNA.

Compatible only with Continental GT 650.

BLACK DELUXE TOURING DUAL SEAT

Part No. 1990472

The new Black Deluxe Touring Seat takes comfort to a whole new level. This seat has been designed with comfort purely in mind. Dual density foam and 3D net are moulded onto a new wider seat base that increases the sit bone width by 33% over the stock seat. Featured silver stitching and an embroidered RE logo to add more premiumness to the seat.

Care Detail: Please note, this seat is water resistant and not 100% waterproof. Due to the design of this seat, if exposed to very heavy rain for a prolonged period of time some water retention will be expected. This is due to the open-cell foam and stitch detail used to create the plush feel, any water absorption will dry out naturally with time.

Compatible only with Interceptor 650.

BLACK PREMIUM TOURING DUAL SEAT

Part No. 1990482

Who says practicality can't be stylish?

This new breed of Touring seat uses thicker foam for extra comfort and 3D net technology to evenly distribute weight for increased comfort over long distances. A classic ribbed vinyl together with white piping and a stitched logo at the rear will give your motorcycle a premium, vintage look.

Compatible only with Interceptor 650.

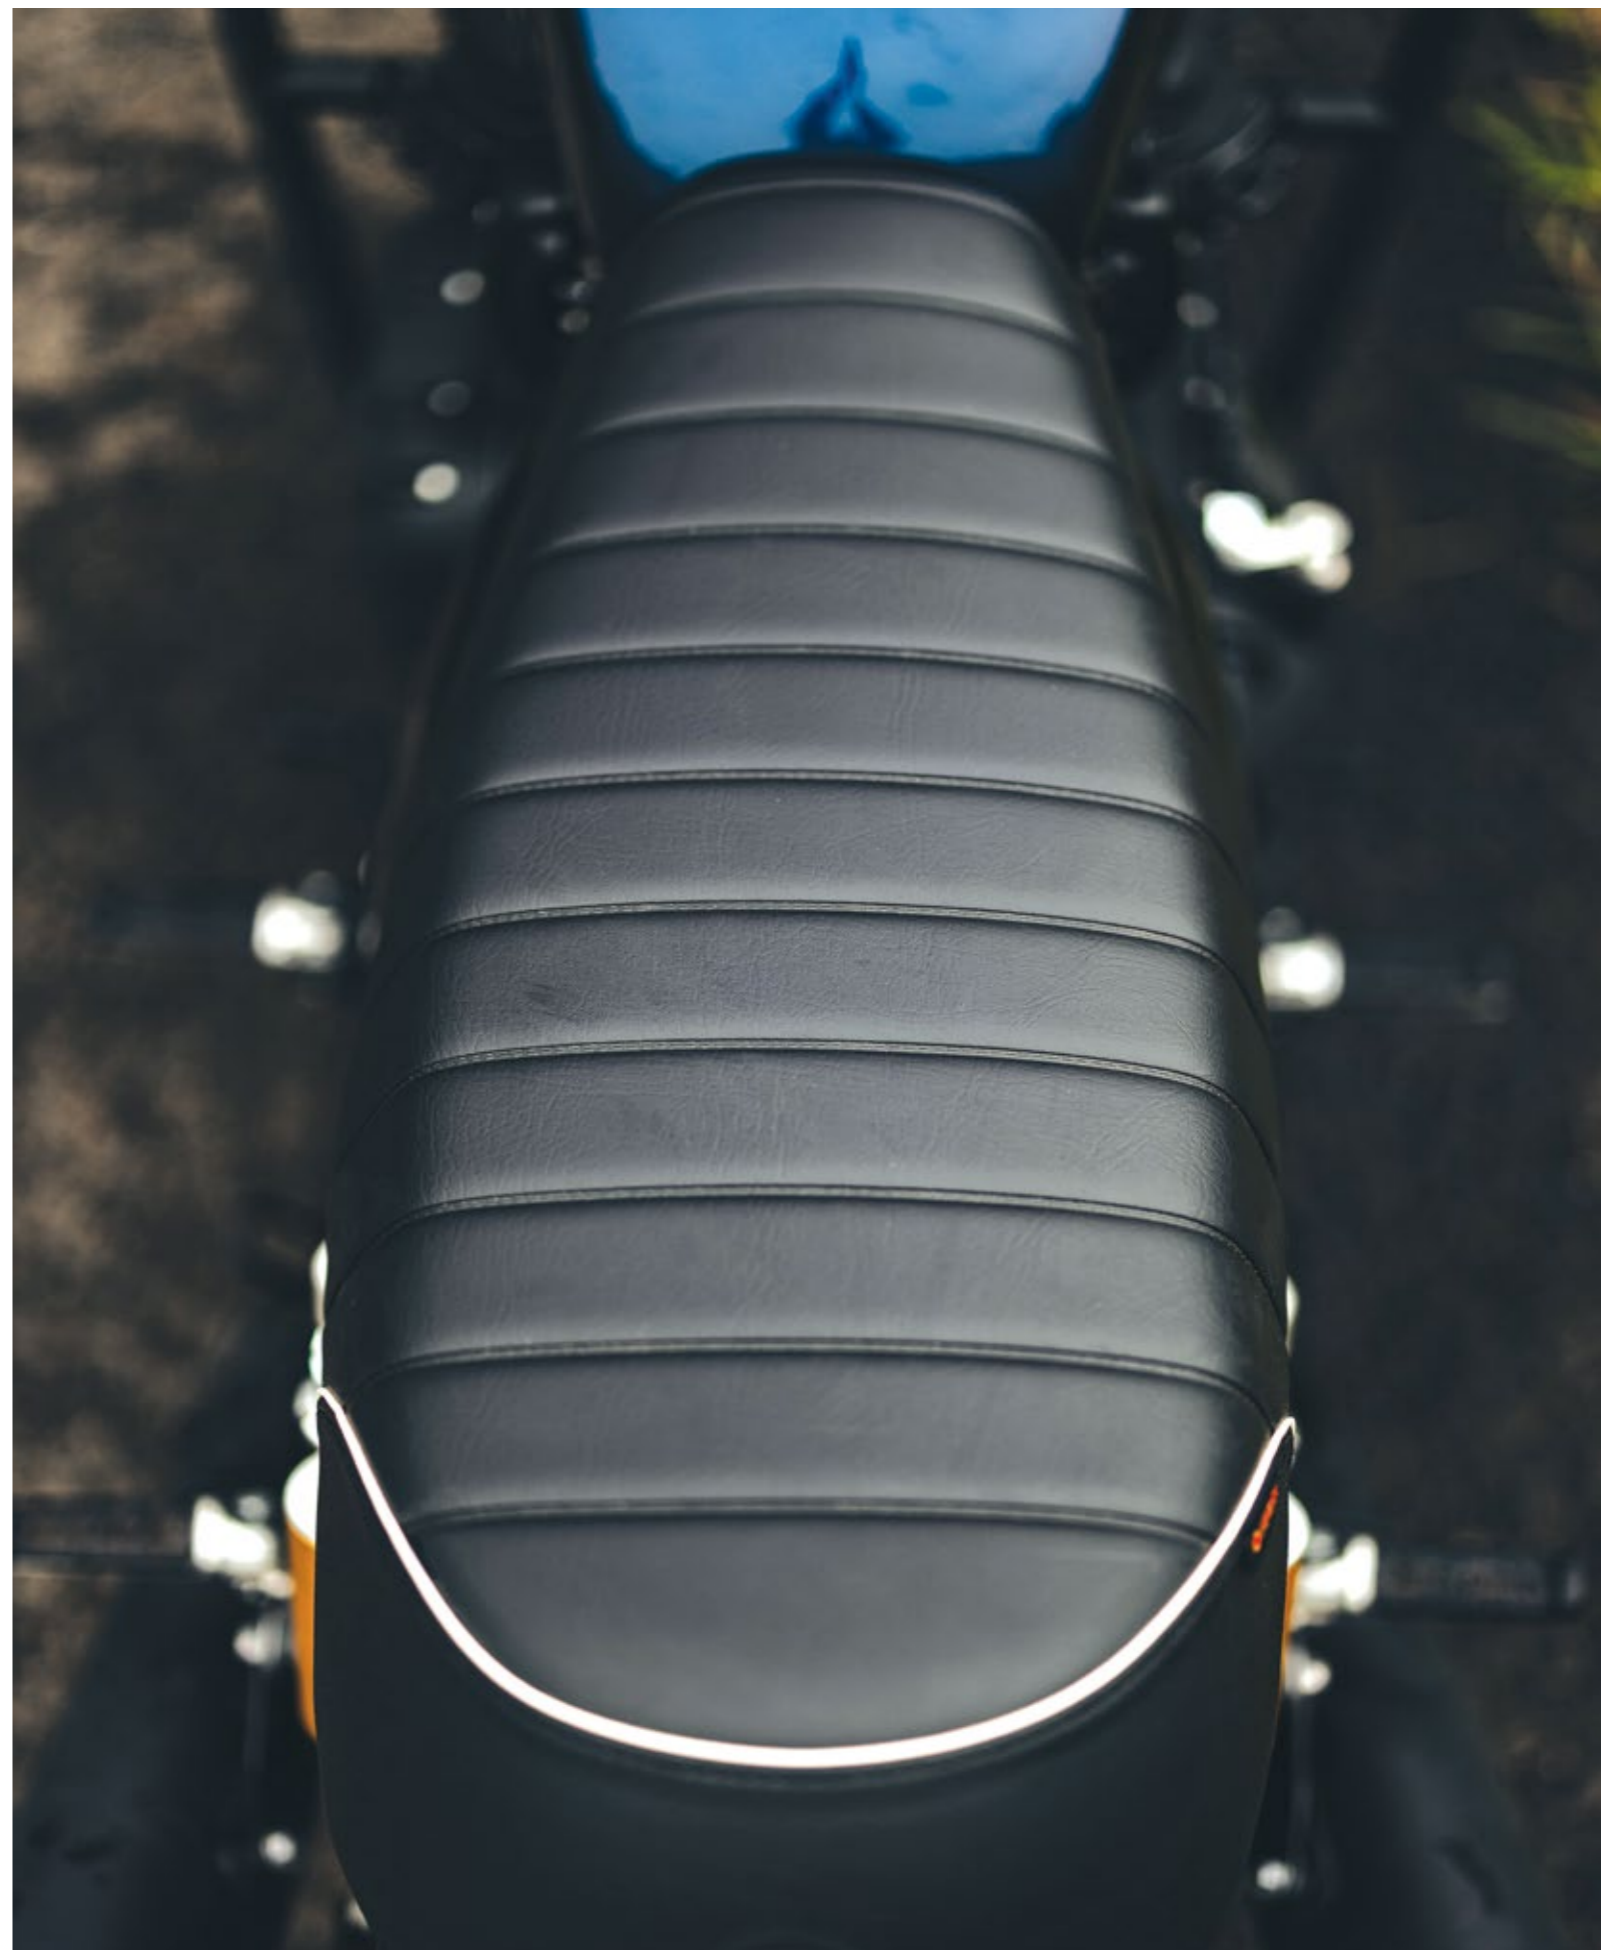

BLACK PREMIUM TOURING DUAL SEAT

Part No. 1990489

Who says you can't be practical and stylish at the same time?

This new breed of Touring seat is designed to give more comfort on longer journeys. It uses soft-touch material to improve the feel of the ride and also comes with 3D net technology which distributes weight evenly as you sit across the saddle. Red stitching and subtle Royal Enfield branding lend it a touch of style so that when you pair it with the Dual Seat Cowl (available separately) you can bring in-line with the café racer's DNA.

Compatible only with Continental GT 650.

SINGLE SEAT COWL

Step into the classic café racer lifestyle. Add the colour coordinated painted seat cowl to the Single Seat Rider.

TINTED SHORT FLYSCREEN

Part No. 1990413

Add to that retro style with the short flyscreen. A dark tinted screen with stainless steel embellisher adds a layer of wind protection when you ride.

TINTED TALL FLYSCREEN

Part No. 1990414

Speed through the wind with the tall flyscreen adding a level of wind protection when you ride. It comes with a stainless-steel branded embellisher.

BLACK PAINTED INSTRUMENT COWL

Part No. 1990468

Step into the classic café racer lifestyle. Add the color coordinated painted flyscreen.

TOURING SCREEN

Part No. 1990479

Get more wind protection with this touring screen. It will reduce fatigue while giving you a clear view of the road ahead on your Interceptor 650, Continental GT650. This hard-coated, injection-molded screen is scratch resistant and comes with a subtle Royal Enfield branding.

The mounting kit is included and consists of two split clamps along with stainless steel rods and fixings to ensure that the Touring Screen is positioned perfectly.

BLACK HEEL GUARDS

Part No. 1990443

Replace the brushed original heel guards with this powder-coated pair and give your motorcycle a stylish, stealth look.

Compatible only with Continental GT 650.

BLACK HEEL GUARD

Part No. 1990444

Replace the brushed original heel guard with this powder-coated version and give your motorcycle a stylish, stealth look.

Compatible only with Interceptor 650.

BLACK SUSPENSION FINISHERS

Part No. 1990445

Machined from billet aluminium, anodised for durability and laser-etched branding. These add the finishing touch to the RSU fastener.

BLACK TANK PADS

Part No. 1990535

These retro style designed tank pads help the rider grip the motorcycle with the knees thereby giving added confidence. These stylish tank pads also help in protecting the fuel tank.

LUGGAGE

BLACK SOFT PANNIERS

Part No. 1990410

Sling them over your shoulder or slide them onto the mounting rails, this water-resistant pair of roll-top panniers is as versatile on the bike as off it. They come with quick release straps, a capacity of 8.5 litres per pannier and a maximum load of 3kg.

You'll need mounting rails (1990411) which are available separately.

SILVER SOFT PANNIER RAILS

Part No. 1990411

Be ready to ride. Designed with ease of use in mind, the low-profile design of this pair of mounting rails ensures that even when the panniers aren't in use, the rails don't become a hindrance. They are made from 16mm stainless steel for excellent durability and style and can take a load of up to 3 kg each side.

ELECTRICAL

BLACK LED INDICATORS

Part No. 1990488

LED Indicators fit as a direct replacement ensuring the correct flash rate is maintained. Sleek and minimalistic styling.

SILVER SUMP GUARD

Part No. KXA00289

Add a layer of protection to your Twin 650 engine with the Silver Sumpguard.

The Sumpguard provides essential protection to the engine from dirt and debris off the front tyre, or through bottoming out whilst dropping off the edges of kerbs.

The heavy-duty pressed aluminium plate is brushed and hard anodised to give durability in the harshest conditions, with a centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

Black Sumpguard (KXA00299) also available.

SILVER OIL COOLER GUARD

Part No. 1990556

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road.

Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

CONTROLS

BLACK DELUXE RIDER FOOTPEGS

Part No. KXA00331

Glide through the highways your way. Add more comfort on long rides with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet-style mounting design. A machined band around the top surface gives a final touch of quality and style to match your motorcycle.

BLACK DELUXE PILLION FOOTPEGS

Part No. KXA00250

Glide through the highways your way. Add more comfort on long rides for the pillion with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet-style mounting design. A machined band around the top surface gives a final touch of quality and style to match your motorcycle.

TOURING MIRRORS BLACK

Part No. 1990454

Royal Enfield mirrors are fully homologated to be valid replacements. They have been forged and machined with aluminium stems to offer strength and stability.

BAR END MIRRORS BLACK

Part No. 1990401

Give your motorcycle an authentic cafe racer styling, with Royal Enfield marked and fully homologated replacement mirrors. The bar end mirrors offer improved stability.

BAR END MIRROR MOUNTS

Part No. KXA00277

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM bar end finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

BLACK BAR END FINISHERS

Part No. KXA00271

Give your motorcycle that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodised for durability and come with laser-etched Royal Enfield branding for style.

ELECTRICAL

BLACK LED FOG LIGHTS

Part No. KXA00075

Illuminate the road ahead when fog descends with a pair of powerful LED fog lights. Producing 1080 Lumens per pair, thrown over a wide photometric spread, the lights will help you to see and be seen in conditions of poor visibility. Classically styled, the lights are controlled by a convenient switch positioned on your handlebar (included). The lamps themselves mount to the following list of Royal Enfield's Genuine Motorcycle Accessory Engine Guards (available separately) and connect to the Accessory connector on your motorcycle's electrical wiring harness.

Silver LED Fog Lights (KXA00064) also available.

BLACK COMPACT ENGINE GUARDS

Part No. KXA00476

Add a layer of protection to key engine areas without compromising on style or ground clearance. The compact engine guard is minimally styled but structurally engineered to provide protection for the engine cases from static falls.

It is made from 22.2mm mild steel tube and has a black dual coating matching the chassis frame for corrosion resistance. This guard is a subtle yet valuable addition to protect your motorcycle.

BLACK LARGE ENGINE GUARDS

Part No. KXA00437

Tailored for urban use, the Large Engine Guards offer a wide span and a triangulated back to the frame, perfectly complementing the stock sump guard.

**SILVER
SUMPGUARD**

Part No. KXA00479

Upgrade the protection of your motorcycle's underside against stone chips and kerb strikes with this heavy-duty pressed aluminum Sumpguard. The forged aluminum plate is brushed and hard anodized for durability in the harshest conditions. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal with standard tools for cleaning.

This product is compatible with both the KXA00476 Black Compact Engine Guards and the KXA00437 Black Large Engine Guards.

Black Sumpguard (KXA00491) also available.

**BLACK HEADLIGHT
GRILL**

Part No. KXA00444

The Protective Grill is purposefully designed to integrate flawlessly with the LED headlight. It's fully homologated, ensuring headlight protection against large debris and optimizing road visibility for a safer ride.

**SILVER RADIATOR
GUARD**

Part No. KXA00404

Our Stamped Aluminum Radiator Guard is meticulously designed to enhance cooling efficiency while delivering added radiator protection. Its authentic brushed finish and laser-etched logo add a unique touch to your ride.

MODERN SOFT PANNIERS

Part No. 1990278

A pair of modern-styled rolltop bags constructed from premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners.

Each pannier has a volume of 13L and can carry a payload of 3kg, providing ample capacity and protection for your next excursion with IPx6 rated waterproofing.

Designed for quick attachment and removal from the motorcycle with hand-carry handles and shoulder straps, making them user-friendly and easy to carry.

ADVENTURE SOFT PANNIERS

Part No. 1990270

A pair of Adventure-styled rolltop bags made from Premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners. 13L volume per bag and a 3kg payload each side together with IPx6-rated waterproofing provide ample capacity and protection for your next excursion. Comes with quick attachment & removal from the motorcycle. Shoulder straps and carry handles for ease of use.

KXA00478 BLACK SOFT PANNIER RAILS are needed for mounting these panniers to the Guerilla 450.

BLACK SOFT PANNIER RAILS

Part No. KXA00478

Designed for ease of use, this pair of mounting rails is made from 18mm steel with a durable black satin powder coating. They include the necessary stainless steel fixings and can support a load of up to 3 kg on each side.

Required for fitting the 1990278 Modern Soft Bags.

BLACK RALLY HAND GUARDS

Part No. KXA00426

The Rally Handguards feature a 2-point forged aluminum spine, providing riders with essential hand protection against wind and debris, all while reducing lever impact

They are compatible with both the OE Screen, GMA Adventure Screen, OE Handlebars ensuring versatility and convenience.

CONTROLS

BODYWORK

BLACK TOURING MIRRORS

Part No. 1990454

Royal Enfield mirrors are fully homologated to be valid replacements. They have been forged and machined with aluminium stems to offer strength and stability for improved visibility.

BLACK RALLY HANDLEBAR PAD

Part No. KXA00402

Our self-skinned foam handlebar pad features debossed Royal Enfield branding. It retains access to the USB port, ensuring convenience and style in one package.

ADVENTURE SCREEN

Part No. KXA00425

A taller screen for enhanced wind protection, perfect for high-speed travels. This screen is hard-coated for scratch protection, ensuring durability and clarity.

It's also fully compatible with Rally Handguards, offering a complete riding solution.

RALLY MUDGUARD

Part No. KXA00410

The Rally Mudguard and Seat are a matched set within the Rally Inspirational pack, engineered exclusively for each other to elevate off-road maneuverability. With their flatter, gripper-seated design, they increase seat height by 34mm.

They are not compatible with stock bodywork or seats. In India, you can opt for MIY Factory Fit, while international markets offer them as over-the-counter accessories.

BLACK ADVENTURE RIDER SEAT

Part No. KXA00427

For adventure riders spending extended hours in the saddle, our product offers enhanced comfort. It features premium materials and a comfort insole for long-term comfort improvement.

It maintains aesthetic compatibility with both rider and pillion seats, allowing customers to change one or both while keeping a matching look, combining style with long-lasting comfort

SEAT HEIGHT INCREASE +7mm

BLACK ADVENTURE PASSENGER SEAT

Part No. KXA00428

Provides enhanced comfort for the adventure pillion during extended saddle time. This product boasts premium materials and a comfort insole ensuring long-term comfort improvement.

It also maintains aesthetic compatibility with both rider and pillion seats, giving customers the freedom to change one or both while preserving a matching look.

BLACK LOW RIDE SEAT

Part No. KXA00451

This seat provides enhanced accessibility without compromising the suspension travel or the style of your bike. This seat is easy to install and has two-step adjustability settings of 805mm or 825mm.

The Black Low Ride Seat is colour-matched with bike colourways with stock black seats. Customers with other colourways (seeking to colour match) must purchase the stock black passenger seat to match the Black Low Ride Seat.

This can be purchased from spares RAU00180 - SEAT, PILLION, ASSY, BLACK.

SEAT HEIGHT REDUCTION -11mm

BLACK RALLY DUAL SEAT

Part No. KXA00405

The Rally Mudguard and Rally Seat are designed exclusively for each other and are key components of the Rally Inspirational pack. They elevate off-road maneuverability, featuring a flatter, slimmer seat with gripper material for conquering challenging terrain. This combination increases seat height by 34mm over stock, making it ideal for use with the Rally Silencer (where market-dependent) and rackless bags.

The Rally Dual Seat is not compatible with stock bodywork. You can find them as a MIY Factory Fit option in India and as over-the-counter accessories in international markets.

SILVER ADVENTURE TOP BOX

Part No. KXA00433

The robust aluminum top box is the perfect complement to the Himalayan's styling and adventurous spirit. With its thick-walled aluminum construction, ABS corner protection, and a 40-litre capacity and 5kgs payload, it can accommodate most adventure helmets.

It's designed for easy removal without the need for tools, featuring an anti-theft mechanism within the box for added security. The lockable lid offers both safety and peace of mind. The top box is water resistance, adding the adventure inner bag (KXA00294) for the full waterproof solution.

The top box mounting plate (KXA00434) is available separately.

Black Adventure Top Box (KXA00420) also available.

SILVER ADVENTURE PANNIERS

Part No. 1990274

These rugged aluminium panniers set off the purposeful styling and 'go anywhere' nature of the Himalayan. They boast thick walled aluminium construction and ABS corner protection with a capacity of 26 Litres and 5kgs payload. Top mounts for strapping down additional loads and a lockable lid ensures safety and peace of mind. Panniers are water resistance, add the adventure inner bags (1990252) for the fully waterproof solution.

*Pannier Mounting Kit (KXA00432) is available separately.

Black Adventure Panniers (1990276) also available.

BLACK ADVENTURE PANNIER RAILS

Part No. KXA00432

The utilitarian and rugged pannier mounting kit is the perfect complement to the Himalayan styling and attaches neatly to the frame. Crafted from 18mm mild steel, it's powder-coated to ensure durability in all conditions. The panniers are sold separately, allowing you to customise your setup as needed.

SILVER ADVENTURE TOP BOX MOUNT

Part No. KXA00434

The Stainless Steel Mounting Plate serves as a versatile solution for attaching the Top Box to the rear rack or using it as a standalone luggage platform. It comes with added lash points for secure fastening and has a maximum payload capacity of 5 kgs, providing strength and convenience.

BLACK ADVENTURE WATERPROOF INNER BAGS

Part No. 1990252

Designed to fit the Aluminium Panniers, these waterproof roll-top bags will ensure your items are kept safe from the elements. It has a single strap that doubles as a carry handle and has subtle Royal Enfield branding on both sides.

BLACK TAIL PACK

Part No. KXA00442

Easy to assemble and remove, our waterproof, lightweight bag has a generous 3 kgs/19 liters capacity. The tail pack can be mounted either to the pillion seat or top box rack giving a versatile combination that can be tailored to your setup, which can be either with no rack and no top box, with rack but no top box, or with top box & with rack.

ADVENTURE TANK RAIL BAGS

Part No. KXA00413

The Adventure-style Tank Rail Bags are thoughtfully designed to snugly fit the tank rail contours of your bike. These bags are not only waterproof but also offer a generous 3 kgs/9 liters capacity each.

BLACK LED FOG LIGHTS

Part No. KXA00075

Illuminate the road ahead when fog descends with a pair of powerful LED fog lights. Producing 1080 Lumens per pair, thrown over a wide photometric spread, the lights will help you to see and be seen in conditions of poor visibility. Classically styled, the lights are controlled by a convenient switch positioned on your handlebar (included). The lamps themselves mount to the following list of Royal Enfield's Genuine Motorcycle Accessory Engine Guards (available separately) and connect to the Accessory connector on your motorcycle's electrical wiring harness.

Silver LED Fog Lights (KXA00064) also available.

BLACK LED INDICATORS

Part No. KXA00079

LED Indicators fit as a direct replacement ensuring the correct flash rate is maintained. Sleek and minimalistic styling.

Sold as a set of 4 (front & rear).

Silver LED Indicators (KXA00078) also available.

BLACK AIRFLY ENGINE GUARD

Part No. KXA00001

Add protection to your ride with the Airfly engine guard. Made from a 32mm steel tube, it is corrosion-resistant and engineered for a perfect fit. With the horizontal tubes following the same lines as the tank and a slash-cut upright tube finished with a branded insert, it offers maximum protection in an authentic style.

Silver Airfly Engine Guard (KXA00002) also available.

BLACK AIRFLY EVO ENGINE GUARD

Part No. KXA00003

Give your motorcycle a distinct look while adding a layer of protection with the Airfly Evo engine guard. Made from a 32mm steel tube, it is corrosion-resistant and precisely engineered for a perfect fit. The lighter and simpler design makes it an ideal choice for easy riding while having a modern look.

Silver Airfly Evo Engine Guard (KXA00004) also available.

**BLACK TRAPEZIUM
ENGINE GUARD**

Part No. KXA00007

Go for bigger adventures with the added protection and unique angular styling of the Trapezium engine guard. Made from a 32mm steel tube, comes with corrosion resistance. It is precisely engineered to fit, and comes with contemporary Royal Enfield branding.

Silver Trapezium Engine Guard (KXA00008) also available.

**BLACK OCTAGON
ENGINE GUARD**

Part No. KXA00005

Add a layer of protection and style with the smooth lines of the Octagon engine guard. Made from a 32mm steel tube, it comes with corrosion resistance. It is precisely engineered to fit, with contemporary Royal Enfield branding.

Silver Octagon Engine Guard (KXA00006) also available.

BLACK SUMPGUARD

Part No. KXA00652

When riding on rough terrain, add a layer of protection to the engine and lower frame rails with this sumpguard. It consists of a pressed heavy duty aluminium alloy plate which is then hard anodized to give a durable finish, with centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

Silver Sumpguard (KXA00651) also available.

BLACK DELUXE FOOTPEGS

Part No. KXA00031

Add comfort to your long rides with forged aluminum footpegs that come with a larger footprint. The rubber inserts isolate vibrations with their specific bayonet style mounting design and they fit both rider and pillion positions.

Silver Deluxe Footpegs (KXA00030) also available.

BLACK TOURING HANDLEBAR

Part No. KXA00035

The Touring Handlebar kit is specially designed with long distances in mind. It is ~33mm taller & ~4mm wider, thereby giving a more relaxed riding position to tackle the long journey ahead.

The kit consists of all components required:
- Black Powder Coated Steel Handlebar
- Extended control cables

HANDLEBAR HEIGHT INCREASE +15mm

HANDLEBAR WIDTH INCREASE +15mm

BLACK BAR END MIRRORS

Part No. 1990401

Give your motorcycle an authentic cafe racer styling, with Royal Enfield marked and fully homologated replacement mirrors. The bar end mirrors offer improved stability.

*Bar End Mirror Adaptor, part no. KXA00125 is available separately.

BAR END MIRROR MOUNTS

Part No. KXA00125

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM barend finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

BLACK TOURING MIRRORS

Part No. 1990454

The Royal Enfield marked mirrors are fully homologated to be valid replacements. They have been forged and machined with aluminium stems to offer strength and stability.

BLACK TOURING DUAL SEAT

Part No. KXA00059

The all-new Touring Dual Seat for Bullet 350 with an ergonomically improved seat cushion, provides maximum support on long rides. Dual-density foam enhances comfort with an upper, open-cell layer combining with the 3D net technology to evenly distribute weight. This is laid over a firmer main body of foam to offer more support and confidence to the rider.

The seat surface is given a luxurious style by the premium vinyl, while the additional stitching and embossed logo adds to the premiumness.

Brown Touring Dual Seat (KXA00060) also available.

BLACK LOW RIDE DUAL SEAT

Part No. KXA00053

The Low Ride seat offers 20mm reduction in height whilst retaining sufficient foam thickness to evenly distribute weight for maintained comfort over long distances. It comes with embossed Royal Enfield and Bullet branding.

SEAT HEIGHT REDUCTION -20mm

Brown Low Ride Dual Seat (KXA00054) also available.

BLACK PASSENGER BACKREST MOUNTS

Part No. KXA00151

Designed for the Bullet 350, the passenger backrest comes with cast aluminium backrest arms, which are powder coated for durability and corrosion resistant. These provide the mounting structure for backrest pad enhancing pillion rider comfort.

*Passenger backrest Pads is required and are available separately in Black (KXA00154) or Brown (KXA00153).

TOURING SCREEN

Part No. KXA00147

Get increased wind protection alongside reduced fatigue, with this hard-coated, Injection-molded scratch resistant screen.

Also, the stainless steel mounting kit comes with fixings to ensure that the screen is always positioned perfectly.

BLACK AERO VISOR

Part No. KXA00089

Streamline your headlight with the polished & branded stainless steel headlight bezel. It has an integrated visor peak and is also available in powder-coated black and highly polished silver.

Silver Aero Visor (KXA00085) also available.

BLACK PASSENGER BACKREST PAD

Part No. KXA00154

Enhance the lumbar support of the passenger with the specially designed backrest pad. It comprises a steel skeleton, a foam cushion and the same vinyls that cover the seats.

*Passenger Backrest (KXA00151) required and is available separately.

Brown Passenger Backrest Pad (KXA00153) also available.

BLACK PLEATED SEAT COVERS

Part No. KXA00123

Change your seat's looks and protect it from the elements for a longer life with this Black Pleated Dual Seat Cover.

BLACK TOURING RIDER SEAT

Part No. KXA00073

The all-new breed of Touring Seats for Meteor with a bespoke seat cushion, extra lumbar support and flatter larger base surface, provides maximum support on long rides. The use of 3D net technology evenly distributes the weight while adding to the comfort. The additional stitching and an embroidered logo add to the premium nature of this seat, giving you a true highway cruiser experience.

*Touring passenger Seat, part no. KXA00067 and KXA00068 is available separately.

Brown Touring Rider Seat (KXA00074) also available.

BLACK LOW RIDE RIDER SEAT

Part No. KXA00065

The Low Ride seat offers a 11 mm reduction in height and utilizes 3D net technology to evenly distribute weight for increased comfort over long distances. It comes with a Royal Enfield tag on the rear and is styled the same as the OE seat.

Brown Low Ride Rider Seat (KXA00066) also available.

BLACK PASSENGER BACKREST PAD

Part No. KXA00088

"The black backrest pad has been designed to support the lumbar of the pillion. Constructed in the same manner as the seats themselves it's the perfect match.

*Passenger Backrest (KXA00625) required and is available separately.

Brown Passenger Backrest Pad (KXA00102) also available.

BLACK TOURING PASSENGER SEAT

Part No. KXA00067

With a higher front surface to support the lumbar portion and the same 3D Net technology as the Touring Rider seat, the Touring Passenger seat provides enhanced comfort on those long rides.

*Touring Rider Seat, part no. KXA00074 and KXA00073 is available separately.

Brown Touring Passenger Seat (KXA00068) also available.

BLACK PASSENGER BACKREST MOUNTS

Part No. KXA00625

New and Improved with 40mm extra room for your passenger.

Styled for the Meteor 350, the passenger backrest comes with cast aluminium backrest arms, which provide the mounting structure for either the black or brown backrest pad dependent on your preference. The kit also contains a backplate with an embossed logo which has been post machined to generate a subtle contrast.

*Passenger backrest Pad Black/Brown is available separately.

BLACK PLEATED SEAT COVERS

Part No. KXA00134

BLACK SIGNATURE BENCH SEAT

Part No. KXA00139

The Signature Bench seat brings an element of retro, stripped down style to your motorcycle, especially when used in conjunction with the KXA00142 Tail Tidy.

The soft-touch ribbed vinyl and bench styling elevate your HNTB 350 and the saddle forms a more ergonomic shape around which to feel closer to the riding experience.

BLACK CUSTOM SEAT

Part No. KXA00140

The Custom seat is a more sporty iteration of the Stock seat styling, but brings with it a refinement in quality as well. It has a narrower profile and tighter back end to improve the aesthetic, but these are combined with plush finish and 3D net technology to provide a comfort improvement as well. Red stitching finished this seat off nicely and draws a parallel with the iconic Royal Enfield Cafe Racer seat styling.

When combined with the KXA00142 Tail Tidy, this Custom seat will provide a significantly sportier aesthetic and feel to your HNTB 350.

TINTED FLYSCREEN

Part No. KXA00126

Speed through the wind with the injection-molded tinted flyscreen which adds a level of wind protection when you ride. This is an easy to fit flyscreen.

BLACK PASSENGER BACKREST PAD

Part No. KXA00158

The black backrest pad has been designed to support the lumbar of the pillion and is mounted to the Passenger Backrest mounts. Constructed in the same manner as the seats themselves it's the perfect match.

*Passenger Backrest Mounts (KXA00141) is required and is available separately.

BLACK PLEATED SEAT COVERS

Part No. KXA00132

Protect your seat from the elements for a longer life with this Black Pleated Seat Cover.

* Designed for the Stock seat only.

Brown Pleated Seat Covers (KXA00133) also available.

BLACK PASSENGER BACKREST MOUNTS

Part No. KXA00141

Styled for the HNTR 350, the passenger backrest Mounts are cast aluminium and which provide the mounting structure for the Black Backrest Pad.

*Black Passenger backrest Pad (KXA00158) is available separately.

TAIL TIDY

Part No. KXA00142

Tidy up the tail of your Motorcycle and give it a sporty look with this minimalistic mudguard and number plate mount. Replacing the stock mudguard with a much smaller one, the tail tidy relocates the tail light, indicators and number plate to bring them closer together and inboard towards the seat.

This enhances the sporty aesthetic of the HNTR 350, especially when combined with the Black Custom seat (KXA00140) or Black Signature seat (KXA00139)
