A dark, industrial environment, possibly a warehouse or factory floor. In the foreground, there are several wooden crates or pallets. One crate on the left is filled with various items, including a teddy bear. The background is dark and filled with industrial equipment and structures. A bright light source from the right creates a strong highlight on the floor in the foreground.

HIMALAYAN

The image shows a rocky, hilly terrain with scattered green shrubs and trees. The sky is a pale, clear blue. In the bottom right corner, the rear portion of a vehicle, including a black body panel and a tire, is partially visible, suggesting the vehicle is parked on or near the rocky ground.

Go anywhere. Better equipped.

Keep rain and dust off
your motorcycle.

ROYAL ENFIELD

A photograph of a motorcycle completely covered by a dark blue, wrinkled tarp. The tarp has the words "ROYAL ENFIELD" printed in white, bold, sans-serif capital letters across its upper-middle section. The motorcycle is parked on a cobblestone path. In the background, there is a white wall with a red door and a red window shutter, a wooden picket fence, and some green foliage.
